

Who Shall Help the Little Red Hen? Song

(Sing to the tune of 'London Bridge is Falling Down'.)

Who shall help me sow the wheat, sow the wheat, sow the wheat?
Who shall help me sow the wheat?
Dog, cat, duck?

(Chorus)

"No, not I," said the dog,
Said the cat, said the duck.
"No, not I," They all said,
Dog, cat, duck.

Who shall help me cut the wheat, cut the wheat, cut the wheat?
Who shall help me cut the wheat?
Dog, cat, duck?

(Chorus)

Who shall take it to the mill, to the mill, to the mill?
Who shall take it to the mill?
Dog, cat, duck?

(Chorus)

Who shall help me bake the bread, bake the bread, bake the bread?
Who shall help me bake the bread?
Dog, cat, duck?

(Chorus)

Who shall help me eat the bread, eat the bread, eat the bread?
Who shall help me eat the bread?
Dog, cat, duck?

"Yes, I will," said the dog,
Said the cat, said the duck.
"Yes, I will," they all said.
Dog, cat, duck.

"No, I will!" said the hen,
Said the hen, said the hen.
"No, I will!" said the hen.
"Dog, cat, duck!"
