

Fun ways to practise writing numbers and letters:

- Use the practise sheets on google classroom.
- Write them with different colour pens, pencils etc.
- Write them in sand, flour, rice or shaving foam.
- Chalk them outside.
- Make them with playdough or plasticine.
- Paint them.
- Get competitive - who can write the number correctly the highest number of times in 20 seconds.
- Write them on a chalkboard or whiteboard.
- Get crafty and use sequins/pom-poms/lollipop sticks etc to make the shapes of numbers and letters.
- Adult to chalk them on a pavement and child to get a paintbrush with water to trace them.
- Attach a pencil to a long stick and try and write them on a large piece of paper.
