

This half term we will:

<p>English</p> <p>Our two learning journeys this term focus on adventure. We will explore 'Man on the moon', alongside non-fiction texts, to write moon landing fact files. We will then use the book 'Journey' to explore imaginative settings and write our own adventure stories. We will focus on 'retrieval' and 'vocabulary' in our reading sessions.</p>	<p>Maths</p> <p>We will develop our skills in multiplication and division, start to learn the 10x, 2x and 5x tables and use these tables to solve problems. We will understand fractions of shapes and amounts.</p>	<p>Science</p> <p>We will understand the life cycles of animals, including humans. We will learn how to keep our bodies healthy. See Knowledge Organisers for more detail.</p> 	<p>History</p> <p>We will explore and compare the challenges faced by Neil Armstrong on his mission to the moon and Amy Johnson on her quest to be the first woman to fly solo to Australia. We will use a variety of sources to locate information. See Knowledge Organisers for more detail.</p> 
<p>RE</p> <p>We will begin to understand there are many ideas about how the world was created; know the Christian story about the creation.</p>  	<p>Art</p> <p>We will observe and draw shapes or objects using line, marks and tone both on paper and clay. We will create a clay moon rock and explore the work of Samantha Dickie.</p>	<p>Computing</p> <p>We will continue to use computers and the internet safely and respectfully. We will use a publishing software to create fact files.</p> 	<p>DT</p> <p>We will design and create a moon buggy with a moving mechanism. We will evaluate how successful it is and discuss how we could improve it.</p>
<p>PSHE</p> <p>We will learn how to set a simple goal; consider why we have money and how to keep money safe; understand the meaning of affording something and saving for it.</p> 	<p>Music</p> <p>We will identify and choose the way sounds are made, exploring how they can be used to represent our ideas.</p>	<p>PE</p> <p>Gym: We will balance on different parts of our body and practice counter balances with a partner using apparatus. Games: We will continue to use skills taught by Active 360. The term it is defend, attack, shoot.</p>	<p>Events</p> <p>Tuesday 2nd January- INSET Number Day- 2nd February Wednesday 7th February – Space Day Parents Evening- 6th and 8th February</p>

Please support your child at home with their daily reading, talking homework and maths homework. Please check that your child's plimsolls still fit and that they *have suitable outdoor PE clothing.*
