

Reading Round Up

Spring Term 2 - 26.3.24

World Book Day

We celebrated WBD doing lots of fun activities based on the picture book Octopus Shockopus written by Peter Bentley, who was also our Virtual Meet the Author this term. The afternoon was fun too, sharing books, story sacks, making book marks, library book scavenger hunt and much more!

THANK YOU!

This term we received our order of lovely new library books kindly paid for by FRIENDS, this is only a very small selection of them. The children have chosen some of the books to go in their classroom book corners to share and enjoy together.

Explore the Planets is a new book that Mrs Robson kindly bought for us to have in the library and Maple class agreed to review it. Here is what they said:

- Alastair: I liked the storms on Jupiter. Immy: Mars is a very cold planet.
- Esme: We learnt about the planets and what they look like.
- Freddie: I liked the red dust.
- Rory: Uranus is my favourite because it is cold.
- Verity: I liked the drawings on Earth's page.
- Phoenix: Mercury is the closest to the sun.

Thank you to our librarians Ralph, Hayley-Jane, Ash and Grace. You have done a great job helping in the library and keeping it tidy.

Library Days

YR - Wednesday Y1 - Tuesday
Y2 - Monday
Don't forget the library is also open Thursdays after school to share and change books.

Hampshire Picture Book Award 2024

This term, Year 1 took part in the annual Hampshire Picture Book Award. This is the 15th year of the award and 115 Hampshire schools took part. The aim of the award is to introduce the children to new picture books and develop their love of books. It also provides them with a unique opportunity to be involved in a major county literary event. Oakley voted Nabil Steals a Penguin as their favourite but the winner of the award this year is Food Fight written and illustrated by Alex Latimer. We have all these books in the library if you'd like to read them.
