

Reading Round-up

Summer 1 - 23.5.23

THANK YOU!

Thank you to our librarians Ophelia, William, Emilia and Samuel. You have done a great job helping with library club, the reading shed and keeping the library tidy.

Oakley Must Reads!

Sharing a story together in class is an important part of our day and throughout the year we have enjoyed many books, ensuring a balanced and rich reading experience. These have included: Tidy, Perfectly Norman, Poems Out Loud! - Pirates, Wolves, We're in the Wrong Book, and Believe Me, Goldilocks Rocks!

Pre-school Library

It has been lovely to welcome our young visitors to the pre-school library as they change their books, share stories and bring their bunting back. Have you spotted the colourful bunting? If not, look out for it next time you are in the library!

Library Days

YR - Wednesday
Y1 - Tuesday Y2 - Monday

Don't forget the library is usually open Thursdays after school to share and change books.

Big Up Your Book!

This is very popular. The children love to stand up in front of their class or a small group of friends and big up their favourite read. It can be a chapter book, picture book, comic or non-fiction book, anything they love to read! Here are a few favourite reads that have been shared recently: Pennie, Hot Dog, Tiger in the Snow, Where Happiness Begins, The Bible, Grandad's Camper, My Shadow is Pink, Iron Man, Velveteen Rabbit, Charlie and the Chocolate Factory and The Bug Hotel.

Look out for details of this year's Summer Reading Challenge in the next Reading Round Up.

Fun Facts from the Library!

594 books have been issued in the last 30 days.

Lost in the Caves has been the most popular book in the last 60 days.
