Spring Term: Issue 11

25 March 2025

Strive, thrive and achieve together

Dear Parents,

On Monday this week, all of the children had the opportunity to take part in sensory circuits in the hall. The activities were designed to help with focus, coordination and movement. The children enjoyed exploring the different stations, from balancing challenges, to throwing and catching, star jumps and finishing with a calming time. A big thank you to Mrs Mears for organising and leading the sessions and for making them such a success. It was wonderful to see so many happy, engaged faces!

This week we have started collecting in the library books ready for the Easter holidays. Please return your child's book if they have not done so already. The library will remain open after school on Thursday this week and next week for you to be able to share a book together.

We are aware of the bee nest on the grass bank along the school drive. These bees are regular visitors, they are not aggressive and will likely remain in the area for only a short time. Please remember that children and adults should not be on the bank at any time.

A right to an education.

School Drive and Carpark

Please can I remind everyone that the school car park is only for staff unless you have prior permission. This includes collection from after school clubs (Active Me 360 and GOL) as there are a lot of children on site until 4.30pm and beyond. More cars create more hazards to the children. Thank you

SEND Coffee Morning

The next SEND coffee morning, held at Cranbourne School, is on Wednesday 2 April at 10am. This is an opportunity for those parents/carers of children with SEND to find out what support is available and spend time with others in a similar situation.

Sports Day

This will be held on Friday 16 May (weather dependent). Our alternative Sports day will be Tuesday 20 May. More details to follow.

GOL Football Club

For the summer term GOL football club is open to all children, including Year R. It runs on a Friday evening until 4.30pm. Please follow the link to register your child <https://forms.office.com/e/t3ZG7LNquj>

If your child is currently taking part in the club **please re-enrol them for the summer term, it is not automatic.**

Unwell Children

Please remember that children should only be in school if they are well enough to fully take part in the day. If they are unwell with a temperature and need Calpol before school they should stay at home to recover.
