Spring Term: Issue 9

11 March 2025

Strive, thrive and achieve together

Dear Parents,

Thank you to everyone who was able to join us for the open afternoon on Friday, it was great to see so many of you in school. The children had a lovely day and enjoyed all the activities about The Storm Whale.

This week, in our assemblies, we are learning about International Women's Day, which was on 8 March 2025. A day to celebrate women and push for gender equality and the advancement of women's rights across the globe. The children will learn about many important women this week and we have started the week with Mary Anning who was a great fossil hunter.

There is still some wood in the carpark from our bench refurbishment that was funded by Friends, if anyone is interested in any of the wood please do help yourselves. Or if you are able to help out and take any of it to the recycling centre we would be very grateful. You are welcome to drive up to the car park to load up as we know it would be heavy.

Reminder that every week on Thursdays after school we are open for you to come back into class with your child, once the class has been dismissed. Mrs Mears also has the library open too.

Jennie Clarke
