Autumn Term: Issue 2

10 Sept 2024

Strive, thrive and achieve together

Dear Parents,

Thank you to the new parents who stayed for coffee last Thursday and Friday morning, it is always nice to see people getting to know the school and other people in the parents group. We look forward to seeing you at other events held by Friends this term.

A reminder that no one should be driving up the school drive at the beginning or end of the school day unless you have permission. Sadly I have also received a complaint from one of our neighbours. Last week a parent parked in front of their driveway and left their car outside the resident's home leaving the residents unable to leave for work. Please park respectfully and with consideration for the children who are using the footpaths nearby and the residents.

I would remind you that if you have to bring a car you can 'Park and Stride'. This is when you park further from the school, along The Drive and Kennet Way where the roads are wider, and then walk through the park and across the road at the bottom of the school drive. Oakley village is full of pathways and several lead to the school, it is worth exploring where is a good place to park and then walk along the pathways into the school instead of parking at the bottom of the school drive where it is very busy.

## Baseline Assessment- Year R

Year R parents will be receiving some information regarding the Baseline Assessment which must be completed during the first six weeks of school. Please take a look.

## Tissues

Please keep your tissue donations coming in for the inevitable cold season which will be upon us soon. We are very grateful for donations and it really helps the school budget not to have to purchase tissues.

Thank you.

## Cooking Money

At the beginning of the school year we ask for a donation for the children to take part in cooking over the school year. Please send in £1 in a named envelope so we are able to start purchasing ingredients so we can get going.

Thank you.

## Dates

On the final slide you will find a list of dates for your diary for the next half term. Please make a note so that you and your child do not miss out.

## Clubs and After School Care

This year Active 360, who provide sports cover in school, will be providing wraparound care for both the infant and junior children. This will all be managed by them via their booking platform.

Drop off and collection from the Active 360 Clubs will be the room between the Year 1 classrooms, on the Junior school side.

## GOL Football

The school will continue to manage the booking for GOL football club on a Friday until 4.30pm. If you would like your child to attend please contact the school office. Unfortunately this club is only open to Year 1 and 2 at this stage.

## Caught Reading

If you have any 'Caught Reading' photographs from the summer Mrs Mears would love to see them. Please send them in with your child or email them to the office with the title Caught Reading so that we can print them.

## Foodbank Collection- w/c 30 September

This Harvest time we will be taking part in a food collection for the Basingstoke Foodbank. At the current time they have a shortage of tinned fruit, veg, cooking sauces and coffee. We will send you more detailed instructions nearer the time but thought a little bit of notice would be useful.

We will making the collection during the w/c 30 September.

## Water Bottles

**Please make sure that water bottles do only contain water.** Please do not put squash in your child's water bottle as it makes the area in school very sticky and attracts ants. We also have many children with allergies in school so knowing there is only water in the bottle makes it much easier to manage allergies and keep all children safe.

## Hockey Heroes

Basingstoke Hockey Club will be running their ever popular Hockey Heroes from 28th September! Come and give hockey a try, it runs on Saturday mornings from 9-10am, a number of Oakley children attend and they have a family friendly clubhouse serving hot food and drinks to keep you warm during or afterwards!

Book via <https://play.englishockey.co.uk/hockeyheroes> or contact [bhcjuniorhockey@gmail.com](mailto:bhcjuniorhockey@gmail.com)

## RHE Curriculum

Every half term we share the focus for the PSHE curriculum on the newsletter. Mrs Barrett has put together some information for parents to explain the scheme we have been using at Oakley for several years. Her letter is attached and sent out with this email. The next slide has this term's focus which is Being Me In My World.

## Key Stage 1 and Year R Information Evening

There is an Information Evening for the parents of children in Year 1 and 2 scheduled for 18 September. These short meetings are to give information about your child's new year group, the expectations and the content of the curriculum they have moved to.

The Year 1 meeting will take place at 7pm with an opportunity to visit the classroom afterwards when the Year 2 meeting starts at 8pm.

Year R information evening will take place on 25 September at 7pm.

Hearing the information first hand is always much better than reading a letter so please try to ensure that one parent is able to attend. This is not a meeting for children.

Jigsaw is a progressive scheme supports our work in our Personal, Social and Emotional Development (PSED) curriculum.

## 'Being Me in My World'

This half term, our puzzle piece is ...

This puzzle piece includes learning about the children have similarities and differences from their friends and that is ok. They begin by working on and managing their feelings, identifying different ones and the causes these can have. The children talk about working with others and why it is good to be kind and use gentle hands. They discuss children's rights and what it means to be responsible, discussing and implementing their learning charter. The children talk about choices, the consequences of making different choices and how to make everyone feel safe in their class as well as recognising their own safety. The children talk about feeling worried and recognising who to ask for help as a trusted adult. The knowledge and skills are progressive but many of the knowledge and skills are reinforced every year for every year group. Please share to support your child's learning.

## Rotary Christmas Shoebox Collection

Once again we will be taking part in the Christmas Appeal from the Rotary Club *but with a difference this year.*

We have noticed that the number of boxes being completed has been reducing over the last few years and this year the deadline from the Rotary Club is much earlier. So, we feel that a more collaborative approach would be the way forward so that more people can be included without feeling overwhelmed.

Therefore, we are going to ask year groups for donations of certain items which will be collated in school by the School Voice children and then made up, ready to be sent.

We do not need anything to be donated before 20 September so please have a think about what you would like to donate, there is no hurry.

Year Group	Donations
Year R	Toothbrush and toothpaste, pencils, notebook, warm hat, small toy car, small doll.
Year 1	Soap and flannel/sponge, crayons, colouring book, socks, bouncy ball, yo-yo, small building or construction set/toy
Year 2	Hairbrush, hair accessories, felt tip pens, picture book, gloves, small soft toy, skipping rope

**Please donate something from the selection for your child's year group so that we get a selection of things to make the boxes exciting for the children receiving them.**

**Please make sure that your item will fit in a shoebox and please do not donate any food items, things that require batteries, liquids, war related items, medicines, large toys or clothing items or anything sharp.**

**Donation Dates: 20 September - 4 October 2024**
